The Imagine A Day Foundation was created in memory of Courtney Bella. Courtney was tragically killed in an automobile accident by an intoxicated driver in April, 2008.

A few weeks before her death, Courtney wrote a poem entitled "Imagine A Day." Her words are inspiring, poignant and timeless.

To honor Courtney's memory, The Imagine A Day Foundation serves as an endowment for creative and performing arts in the Oconomowoc Area School District. All funds donated to Imagine A Day will be used to sponsor creative and performing arts events, programs and workshops for students in Oconomowoc.

Our mission is to cultivate other children's interests in creative and performing arts as well as inspire them to always strive to achieve their goals. Imagine A Day also provides an annual scholarship of \$4,000 (\$1,000/yr for 4 years) to an Oconomowoc High School Graduate who has demonstrated excellence in academics and civic duty as well as artistic passion.

Imagine A Day is established as a 501(c)(3) Non-Profit Corporation. All donations are tax-deductible

\$85 per person or \$340 per foursome
